

The background of the entire page is a festive winter scene. It features snow-covered trees and branches adorned with warm, glowing yellow and orange lights. In the center, a black computer case with a transparent side panel stands on a bed of snow. The case is wearing a red Santa hat with a white pom-pom. Inside the case, the internal components are visible, including a large circular fan with a blue and purple glow, and other parts illuminated with blue light. To the left of the computer case, there is a small, lit red lantern with a warm yellow glow. The overall atmosphere is cozy and celebratory.
